ACRYLICS

PROACRYL

ENDURANCE THROUGH THE YEARS

PROTECTION, is entering in a new era by developing and enriching its range of acrylic technical fabrics with the innovative PROACRYL series.

PROTECTION presents the **PROACRYL** series, a high quality acrylic outdoor fabric made of **solution dyed acrylic yarn** and specially treated, offering:

- Intense colour brilliance
- No fading - colours remain bright and luminous for many years
- High UV fastness, and thus no solidity loss
- Best weather-proof outdoor fiber
- Outstanding dirt and water repellency
- Pleasant textile feeling
- Less wrinkles or creases

PROACRYL is perfectly applied to, various shading systems such as the cassette, the pergola, the canopies, the awnigns with folding arms as well as in boat and furniture covers.

Technical Data

Composition	100% solution dyed acrylic
Width	120cm
Weight	290gr/m²
Light Fastness	UV Resistant 7 - 8 (ISO 105 B02)
Water Proofing	100%
> Spray test > Water column	5 (ISO 4920) 370mm
Oil Repellent Effect	5 (ISO 14419)
Care & Cleaning	With a soft cloth and running water
Warranty	7 YEARS

*Written Prices and processes are indicative of current production lots and are subject to a +/-4% tolerance
